- **Only** children ages 14 and under who are full time residents of Pickens County qualify for this program.
- Please fill out this form legibly and completely using blue or black ink. **This form must be signed, and a copy of your photo ID must be attached as well.**
- ***We will not call you to confirm we have received your application, nor will we call you to schedule a time for pick-up -- see the schedule below, based on the first letter of the last name of the parent/guardian listed on the application.***

- **It is critical that you provide us with a working telephone number and a complete, accurate physical address and mailing address. Without a working phone number and a valid address on this application, we cannot contact you if we need additional information.**
