KPB Honored by Keep America Beautiful

Keep Pickens Beautiful has once again received the *Keep America Beautiful President's Circle Award*. This award recognizes exemplary performance made by certified affiliates of the national nonprofit to reduce litter, minimize waste and recycle, and beautify their local communities.

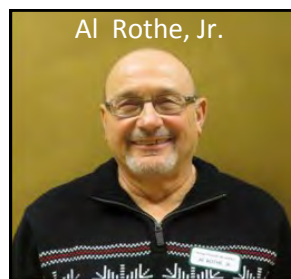

Keep Pickens Beautiful has received this award for 9 years, and our thanks to all of our "volunteers" who help make this possible by donating their time and talents, Pickens County, Cities of Jasper, Talking Rock and Nelson. Working together doing the little things that make a "BIG" difference.

KPB President, Carol Opdenhoff, and KPB Board celebrate the Award.
